

**REQUEST FOR FURTHER EXTENSION OF TIME TO CONSUMMATE TRANSACTION**

By this filing, Motorola Solutions, Inc. (“MSI”) respectfully requests a further extension of time to complete the proposed partial assignment of licenses as approved by the FCC under Universal Licensing System (“ULS”) File Nos. 0004655402 and 0005183145. Additional time is needed to complete certain administrative and business activities associated with the closing.

**Public Interest Statement**

MSI submits that the grant of this request is in the public interest, convenience, and necessity, as it will permit the parties additional time to close on a transaction that will ultimately lead to the development and operation of innovative equipment and functionalities that will be deployed to support the communications of users involved in public safety and homeland security activities.
